JP 17/57 sign-off

I am not signing off on JP 17/57, Kapustin Yar - Vladimirovka Missile Test Center, because I could not reach an agreement with the project chairman concerning the title of part 3 of the project.

The title as listed in the text is "Advanced Missile Facilities." This title has a footnote which waters it down.

I believe the title should read "Unidentified System Facilities" and list stronger possibilities in the text.
